General Clean

No bleach or ammonia! We primarily use cleaning products that are safe for people, pets, and plants. Stronger cleaners may be used only when necessary for heavy buildup or sanitation. Clients may request alternative products if they have sensitivities.

Here is a detailed list of what a General Clean includes:

All Rooms (Except the Garage)

- High dusting of corners, walls, ceiling fans, light fixtures, and air vents
- Surface dusting
- Feather dusting of blinds (Mini blinds are dusted only by request due to their fragile nature.)
- Wiping down windowsills
- Wiping down countertops and cabinet fronts
- Dusting around and behind TVs and monitors (screens are not cleaned)
- Trash removal and disposal in the outside dumpster
- Making beds and staging rooms
- Cleaning mirrors and reachable wall hangings
- Cleaning glass on doors, inside and out
- Exterior cleaning of appliances
- Picking up and tidying loose items from the floor
- Vacuuming and mopping floors

Bathrooms

- Cleaning and sanitizing sinks and toilets
- Scrubbing showers and tubs
- Dusting baseboards

Kitchen

- Cleaning the microwave, inside and out
- Exterior cleaning of the refrigerator and oven
- Cleaning the stovetop and kitchen sink
- Dusting baseboards
- Handwashing 10 dishes or fewer
- Loading 11 or more dishes into the dishwasher if it is left empty
